

FINANCE YOUR TERREWALKS®

With Marlin Equipment Finance and Terrecon, Inc.

TERRECON has teamed up with Marlin to offer you competitive financing options to purchase TERREWALKS® non-concrete modular sidewalks.

Does budget tightening leave little or no room for sidewalk maintenance?

You are not alone...but that doesn't stop concrete sidewalks from continuing to break, uplift, and create a trip hazard.

TERRECON has the Solutions:

Unbreakable sidewalks AND financing. We are proud to partner with Marlin Equipment Finance to provide your city with up to five years of financing when you order TERREWALKS®. Together, we enable you to start maintaining your public right of way immediately, while spacing out payments to meet short-term and annual budget constraints.
